🌐 <https://vaishali-creations.web.app/> 📍 Noida, India

STRENGTHS

- **Frontend Development**
Proficient in ReactJS, HTML, CSS, JS with expertise in performance optimization and responsive design.
- **Leadership**
Led the frontend development team, achieving increased project execution efficiency and code quality improvement.
- **Collaborative Coding**
Commended for showcasing skilled collaboration in coding through significant contributions to various open source projects.

SKILLS

HTML CSS JavaScript

ReactJS Responsive Design

Chrome Dev Tools GIT

Debugging Redux jQuery

SASS Github API Integration

Performance Optimization

ACHIEVEMENTS

- **Website Performance**
Improved by 35%
- **Page Load Time**
Reduced by 30% at Hocalwire
- **Employee of the Quarter**
Received at Hocalwire

OPEN-SOURCE WORK

Hacktoberfest Winner

Honored as a Hacktoberfest recipient for significant contributions to open source projects, demonstrating expertise in collaborative coding and problem-solving. Proactively engaged with the developer community, yielding a 25% increase in project collaboration and a 15% improvement in issue resolution efficiency.

SUMMARY

Seasoned Frontend Developer with 2 years of expertise in performance optimization and responsive design. Led a high-traffic development team, achieving a 30% reduction in page load time and earning recognition as 'Employee of the Quarter.' Eager to apply my skills and mentorship in a ReactJS Frontend Developer role to drive innovation and contribute to company goals.

EXPERIENCE

Senior Frontend Developer

Hocalwire

📅 11/2021 - 08/2023 📍 Noida, UP, India

- Optimized project execution efficiency by 20% through strategic leadership of a frontend development team; provided guidance, mentorship, and support to drive results-driven performance.
- Crafted and sustained responsive web applications by leveraging state-of-the-art frontend technologies, including Javascript, HTML5, and CSS3.
- Collaborated with product managers, designers, and backend developers to define project requirements and scope, resulting in an average increase of 15% in project efficiency.
- Enhanced code quality significantly by incorporating best practices for code quality, optimizing performance, and ensuring cross-browser compatibility, leading to a 30% increase.
- Achieved a 20% code defect reduction by closely collaborating with QA teams and resolving technical challenges to meet project deadlines.

PROJECTS (PROFESSIONAL)

1. Boomlive

🌐 <https://boomlive.in/>

2. Livelaw

🌐 <http://livelaw.in/>

Responsibilities:

- Conducted regular meeting with stakeholders to gather requirements, establish project milestones, and manage expectations.
- Spearheaded end-to-end frontend development initiatives, from designing architecture to assigning tasks and overseeing code reviews; optimized website speed by 30%, resulting in a 10% boost in user engagement and a 12% increase in conversion rates.
- Integrated APIs to fetch data, process transactions and manage user accounts.
- Implemented responsive design principles and optimized the website for cross-browser compatibility.
- Utilized Git for version control and coordinated with the backend team for seamless integration of frontend and backend functionalities.

Outcomes:

- Significantly improved website performance, resulting in a 20% increase in page load speed.
- Successfully launched the redesigned website on schedule, meeting all project milestones and exceeding client expectations.
- Received positive feedback from users and stakeholders, with a 10% increase in customer satisfaction ratings.

EDUCATION

Bachelor of Science in Computer Science

Delhi University

📅 2018 - 2021 📍 Delhi, India
